

THE TROPTIONS ECO SYSTEM

The TROPTIONS Eco system enables two parties (peer to peer) to exchange goods or services based on mutually perceived value.

WHAT IS THE TROPTIONS ECO SYSTEM

The TROPTIONS Eco System was created for business holders of TROPTIONS, to let other TROPTIONS holders use their goods or services using the Currency known as TROPTIONS.

XTroptions.Gold will be the first of the TROPTIONS Currencies that will be used for the TROPTIONS Eco system.

HOW THE TROPTIONS ECO SYSTEM WORKS

Every company or business in the TROPTIONS ECO SYSTEM will take 20% - 100% of retail dollar price for their goods or service in XTroptions.Gold currency.

The TROPTIONS Eco system will work for any service or product that you can buy with barter dollars or fiat dollars the only difference is the retailer will be taking part of the sale in XTroptions.Gold. TROPTIONS Crypto Currency is the only Crypto that has an Eco System for it holders. If you're a business that has a service to offer you can set yourself apart from other business that do the same thing as you do by accepting TROPTIONS for part of your services. Each Merchant can decide how much of their fee they will accept in TROPTIONS. The Minimum is 20% that needs to be accepted in TROPTIONS and the rest can be cash! This is where most merchants will start and then go from there. With TROPTIONS your bank account will grow while you sleep.

BENEFITS OF THE TROPTIONS ECO SYSTEM

These transactions do involve an exchange of currency, however, each party benefits from the transaction. With thousands of TROPTIONS holders all over the world TROPTIONS ECO SYSTEM allows the merchant an extra way to tap into the TROPTIONS system of holders. Accepting the Xtroptions.Gold as currency for goods and services creates both movement for the currency that will increase the value and stability of the Xtroptions.Gold currency.

Other benefits are:

- 1). Adding another option for your customers to purchase your goods or services
- 2.) Be the first to take crypto currencies and gain an advantage over your competitors
- 3.) Enjoy the appreciation by getting in early and holding onto the Xtroptions.Gold as the value increases
- 4.) Free marketing. As a TROPTIONS ECO SYSTEM member TROPTIONS Corp. will get your business name out there to all the holders of TROPTIONS (this number grows daily) through are website and monthly news letter
